

ANPR High Speed Camera

Basic Parameter

Power supply	AC220V 15%/50Hz
Operating temperature	-30 ℃ to +70 ℃
Relative humidity	<95% RH
Power consumption	37W
LRP rate	99%
White and black list	Yes
Record capacity	40000 JPG images
Communication interface	TCP/IP, ONVIF
Operating system	Linux, dual core 1.25GHz processor
Storage	1GB ROM, 16GB storage
Protection level	IP54
Intercom type	Audio/video
Cabinet material	Stainless steel
Product dimension	908*x254*303 mm
Protection rate	IP54
Offline operation	Yes

Built-in Camera

Len type	manual zoom
Imaging sensor	2.7-13.5mm,CMOS
Minimum illumination	0.1 Lux
Support WDR	Yes
HLC	Yes
Video resolution	2Mp
Video compression	H.264
Image resolution	1920X1080-pixel
Data transmission	TCP/IP
Image info export	License plate No./color/image
White balance	Yes
Dimension	200*71*61 mm (without protection case)

Built-in Fill Light

Type	Auto fill
Life time	≥ 40,000h
On/off control	Photo-sensitive

Precision level	IP65
Power consumption	20W
Dimension	225mm*185mm*128mm
